

Crossing to Safety books

Crossing to Safety Introduction by Terry Tempest Williams Afterword by T. H. Watkins

Called a magnificently crafted story . . . brimming with wisdom by Howard Frank Moshier in *The Washington Post Book World*, *Crossing to Safety* has, since its publication in 1987, established itself as one of the greatest and most cherished American novels of the twentieth century. Tracing the lives, loves, and aspirations of two couples who move between Vermont and Wisconsin, it is a work of quiet majesty, deep compassion, and powerful insight into the alchemy of friendship and marriage.
