Full Package The #1 New York Times Bestseller!

Ive been told I have quite a gift.

Hey, I dont just mean in my pants. Ive got a big brain too, and a huge heart of gold. And I like to use all my gifts to the fullest, the package included. Life is smooth sailing....

Until I find myself stuck between a rock and a sexy roommate, which makes for one very hardplace.

Because scoring an apartment in this city is harder than finding true love. So even if I have to shack up with my buddies smoking hot and incredibly amazing little sister, a mans got to do what a mans got to do.

I can resist Josie. Im disciplined, Im focused, and I keep my hands to myself, even in the mere five-hundred square feet we share. Until the one night she insists on sliding under the covers with me. Itll help her sleep after what happened that day, she says.

Spoilerneither one of us sleeps.

Did I mention shes also one of my best friends? That shes brilliant, beautiful and a total firecracker? Guess that makes her the full package too.

Whats a man stuck in a hard place to do?
