Fire Study (Study, #3) The apprenticeship is overnow the real test has begun.

When word that Yelena is a Soulfinderable to capture and release soulsspreads like wildfire, people grow uneasy. Already Yelena's unusual abilities and past have set her apart. As the Council debates Yelena's fate, she receives a disturbing message: a plot is rising against her homeland, led by a murderous sorcerer she has defeated before...

Honor sets Yelena on a path that will test the limits of her skills, and the hope of reuniting with her beloved spurs her onward. Her journey is fraught with allies, enemies, lovers and would-be assassins, each of questionable loyalty. Yelena will have but one chance to prove herself and save the land she holds dear.
