

## Embrace (The Violet Eden Chapters, #1) books

**Embrace (The Violet Eden Chapters, #1)** It starts with a whisper.

*It's time for you to know who you are..."*

Stange dreams leave her with very real injuries and there's a dark tattoo weaving its way up her arms. The guy she thought she could fall in love with just told her he's only half-human - oh, and same goes for her. And she keeps hearing a distant fluttering of wings.

Violet Eden is having a very bad 17th birthday.

But if angels seek vengeance and humans are warriors, you could do a lot worse than betting on Violet Eden.
