

Divine Comedy: The Inferno books

Divine Comedy: The Inferno Guided by the poet Virgil, Dante plunges to the very depths of Hell and embarks on his arduous journey towards God. Together they descend through the twenty-four circles of the underworld and encounter the tormented souls of the damned - from heretics and pagans to gluttons, criminals and seducers - who tell of their sad fates and predict events still to come in Dante's life. In this first part of his *Divine Comedy*, Dante fused satire and humour with intellect and soaring passion to create an immortal Christian allegory of mankind's search for self-knowledge and spiritual enlightenment.
