

My Lady Jane books

My Lady Jane The comical, fantastical, romantical, (not) entirely true story of Lady Jane Grey. In *My Lady Jane*, coauthors Cynthia Hand, Brodi Ashton, and Jodi Meadows have created a one-of-a-kind fantasy in the tradition of *The Princess Bride*, featuring a reluctant king, an even more reluctant queen, a noble steed, and only a passing resemblance to actual history because sometimes history needs a little help.

At sixteen, Lady Jane Grey is about to be married off to a stranger and caught up in a conspiracy to rob her cousin, King Edward, of his throne. But those trifling problems aren't for Jane to worry about. Jane is about to become the Queen of England.
