

## Gone Girl books

**Gone Girl** On a warm summer morning in North Carthage, Missouri, it is Nick and Amy Dunnes fifth wedding anniversary. Presents are being wrapped and reservations are being made when Nicks clever and beautiful wife disappears. Husband-of-the-Year Nick isnt doing himself any favors with cringe-worthy daydreams about the slope and shape of his wifes head, but passages from Amy's diary reveal the alpha-girl perfectionist could have put anyone dangerously on edge. Under mounting pressure from the police and the media as well as Amys fiercely doting parents the town golden boy parades an endless series of lies, deceptions, and inappropriate behavior. Nick is oddly evasive, and hes definitely bitter but is he really a killer?
