

The Discovery of Heaven books

The Discovery of Heaven *The Discovery of Heaven* begins with the meeting of Onno and Max, two complicated individuals whom fate has mysteriously and magically brought together, They share responsibility for the birth of a remarkable and radiant boy who embarks on a mandated quest that takes the reader all over Europe and to the land where all such quests begin and end. Abounding in philosophical, psychological and theological inquiries - yet laced with humour that is as infectious as it is wilful - *The Discovery of Heaven* convinces us that it just might be possible to bring order into the chaos of the world through a story.
