

## Playing for Keeps (Neighbor from Hell, #1) books

**Playing for Keeps (Neighbor from Hell, #1)** Done with being the world's biggest pushover, Haley decides that things are going to change starting with the aggravating neighbor who has too much charm and not enough restraint. What she didn't expect was to be sucked into his world, but Haley has a game plan and she won't let herself forget just what the bad boy next door is capable of.

The last thing Jason expected was for his little shy neighbor to go Rambo on him over some ruined flowers. After he decides to take her under his wing he can't help but notice that she fits very nicely in his life. Now the only thing left is to convince her that this is anything but a game.
