Kei. Family Matters (Deamhan Chronicles #1.5) For decades, I singularly helped strengthen the Deamhan in Minneapolis, and made sure that all the vampires feared us. Ramanga, Lamia, Metusba, Lugat - I looked out for everyone. No one before me had the guts to stand up to the humans and vampires like I did. If it weren't for me, Deamhan would've left that city in fear a long time ago.

Everything was fine until my sibling, Selene, arrived. She released my sire, Lucius, from Limbo, and all hell broke loose. They massacred my supporters and dethroned me. Now, with his minions rallying behind Lucius like he's their messiah, Selene and he chase me to the ends of the earth. They erroneously believe that by capturing me, they will exact justice from me for my crimes.

Little do they know that nothing can keep me away from Minneapolis, the city I built from the ground up. I'm going nowhere. The city belongs to me, Kei; and only I can redeem it.
