But there may be hope: Elder has assumed leadership of the ship. He's finally free to act on his vision no more Phydus, no more lies.

But when Elder learns shocking news about the ship, he and Amy race to discover the truth behind life on *Godspeed*. They must work together to unlock a mystery that was set in motion hundreds of years earlier. Their successor failure will determine the fate of the 2,298 passengers aboard *Godspeed*. Beth Revis catapulted readers into the far reaches of space with her *New York Times* bestselling debut, *Across the Universe*. In *A Million Suns*, Beth deepens the mystery with action, suspense, romance, and deep philosophical questions. And this time it all builds to one mind-bending conclusion: *They have to get off this ship*.
