**Taking Chances (Taking Chances, #1)** *Her first year away is turning out to be nearly perfect, but one weekend of giving in to heated passion will change everything.*

Eighteen-year-old Harper has grown up under the thumb of her career marine father. Ready to live life her own way and to experience things she's only ever heard of from the jarheads in her father's unit, she's on her way to college at San Diego State University.

Thanks to her new roommate, Harper is introduced to a world of parties, gorgeous guys, family, and emotions. She finds herself being torn in two as she quickly falls in love with both her new boyfriend, Brandon, and her roommate's brother, Chase. Despite their dangerous looks and histories, both men adore Harper and would do anything for her, including taking a step back if it would mean she'd be happy.
